THE ABBOTT ADVANTAGE

BUILDING A WINNING TEAM:

Optimizing the Hiring and Onboarding Process

CLASS DESCRIPTION:

Are you ready to elevate your onboarding experience for your new hires? Hiring begins before you ever have the first interview. Become a proficient leader in building high performance teams.

Course Highlights:

- Talent Acquisition
- Seamless Onboarding Processes
- Proven Techniques
- Practical Insights to Building High Performance Teams

CLASS IS BEST FOR:

- HR Professionals
- Managers
- Aspiring Leaders
- Anyone involved in the hiring process for a organization.

UNDERSTAND

Explore the intricate details from crafting compelling job descriptions to conducting effective interviews. Learn how to attract top-tier talent, assess cultural fit and make data-driven decisions in the selection process all while understanding the legal considerations.

STRATEGY

Comprehending onboarding goes beyond paperwork. It establishes the initial impression for employees throughout their entire experience with the organization. This encompasses orientation, mentorship programs, and ongoing feedback loops.
IMPLEMENT

Discover through discussions and interactive exercises your own onboarding toolkit of resources, checklists, and templets to implement in your organization immediately.
